How to make a referral:

There are three quick and easy ways to refer your patients to Neurology specialists at The Ohio State University Wexner Medical Center:

Refer by phone

If you'd like to refer a patient by phone or if you have any questions during any part of the referral process, please feel free to call [614-293-4326](tel:614-293-4326).

Refer by paper form (fax)

Complete our single-page Universal Referral Form located at wexnermedical.osu.edu/referralform.

Fax the referral form and clinical documentation to [614-293-6111](tel:614-293-6111).

For referrals to The Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute, please fax to [614-293-9449](tel:614-293-9449).

After we've received your fax, we'll contact your patient directly to schedule an appointment and send you confirmation of your patient's appointment for your records.

Refer online with CareLink

If you're an Ohio State CareLink user, you can refer your patients at wexnermedical.osu.edu/carelink. CareLink is Ohio State's web-based program that provides real-time, HIPAA-protected access to all electronic health records. It provides prompt communication of the patient's diagnosis, medications, test results and treatment plan, and allows you to place orders for tests and send referrals electronically.

Not a CareLink user? Visit wexnermedical.osu.edu/carelink to enroll today.
