

## PLACES TO STAY

Welcome to Ohio State University Medical Center. For your convenience, the Medical Center has provided a list of area hotels for patients and family members. Although we cannot recommend or verify the quality of these facilities, many types of accommodations and price ranges are available; several provide special rates and other services for hospital guests. OSU Medical Center provides Park & Ride shuttle service to transport patients and visitors to and from campus area hotels Monday through Friday from 7 a.m. – 9 p.m. For shuttle service, call Park & Ride at (614) 293-8669.

**Note:** Please make sure to ask for the hospital rate when calling. Information is subject to change without notice.
