CONFERENCE OBJECTIVES

- Understand the importance of the apnea test in the process of pronouncing death by neurological criteria.
- Discuss the role of STOP-BANG in diagnosing obstructive sleep apnea.
- Describe the team members available across a diverse range of hospitals to care for ventilated patients.
- Describe different mechanisms of trauma to the chest and their impact on pulmonary function.
- Define motivational interviewing and compare it to traditional patient education.
- Discuss ventilation strategies of different neonatal diseases.
- Understand pulmonary hypertension and treatment options.
- Describe elements of the hospital value-based purchasing program and requirements for publicly reporting hospital quality data.
- Explore the evidence for treating sepsis as a medical emergency.

CONFERENCE GUIDELINES

Conference faculty may be substituted or sessions canceled due to unforeseen circumstances.

Conference faculty are required to disclose significant relationships with commercial companies whose products are discussed during their presentations.

This conference is approved for six Continuing Education Units (CEUs) for respiratory therapists. CEUs will be provided by the Respiratory Therapy Division at The Ohio State University, a recognized provider by the Ohio Respiratory Care Board.

The Ohio State University Medical Center Department of Nursing Education (OH-057/02-01-13) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

For information on nursing contact hours, please email Kay Beattie at kay.beattie@osumc.edu.

Attendance of full conference, including a breakout session, is necessary to receive credit. **No credit will be given to participants arriving late or leaving early.**

We will make every attempt to make the room environment as comfortable as possible; however, please dress in layers for your own personal comfort.

Attendees whose registration has been processed and accepted will receive a confirmation letter.

No children are allowed at the conference.

Seating is limited to 800. You will receive a full refund if capacity is reached.

Parking is available in the adjacent parking garage. Free parking will be provided at registration for attendees who register before March 31.

Information about the conference or to register online, please visit our website at www.medicalcenter.osu.edu/ccrc.

If you need to cancel, please contact Andrea Yagodich in Respiratory Therapy at **614-293-3663 by April 7**. A \$10 cancellation fee will be charged. **Registration fee is nonrefundable after April 7.**
