

Therapy Observation Opportunities

The OSU Medical Center is pleased to provide opportunities for students pursuing careers in Allied Health professions to obtain observation hours. Listed below are the departments at the Medical Center that provide therapy and contact information.

You can only have one observation placement at a time. Please do not call all departments at once. Start with your first choice and if they cannot accept you, then contact your next choice.

OSU Medical Center - East: Located on Broad and Taylor Road on the East side of Columbus. OSU East has both inpatient and outpatient therapy departments. Speech Pathology, Occupational Therapy & Physical Therapy observation opportunities. Hours vary.
